Sling time

The SUPPORi sling is small enough to fit in the palm of your hand so it's easily stowed in your diaper bag.

Available in 15 colors, the compact carrier features a fabric that stretches as your baby grows.

For babies who can sit up unassisted to 28 pounds.

Fit Pregnancy is a magazine and website for pregnant women and new mothers, founded in 1993 by Weider Publications as a spin-off of Shape Magazine. It addresses concerns about how to stay healthy, eat right, and look great while expecting and how to get back into shape after delivering. It also offers the essentials for new parenting and infant care through baby's first year. Its readers trust its philosophy of supporting only those products that make the parents' life easier and baby's life healthier and happier.

Fit Pregnancy has been presented with top honors by the prestigious National Information Health Awards, Maggie Awards, and The Society of Publication Designers Award for magazine excellence.
