- Lunar Luxe Anthology -

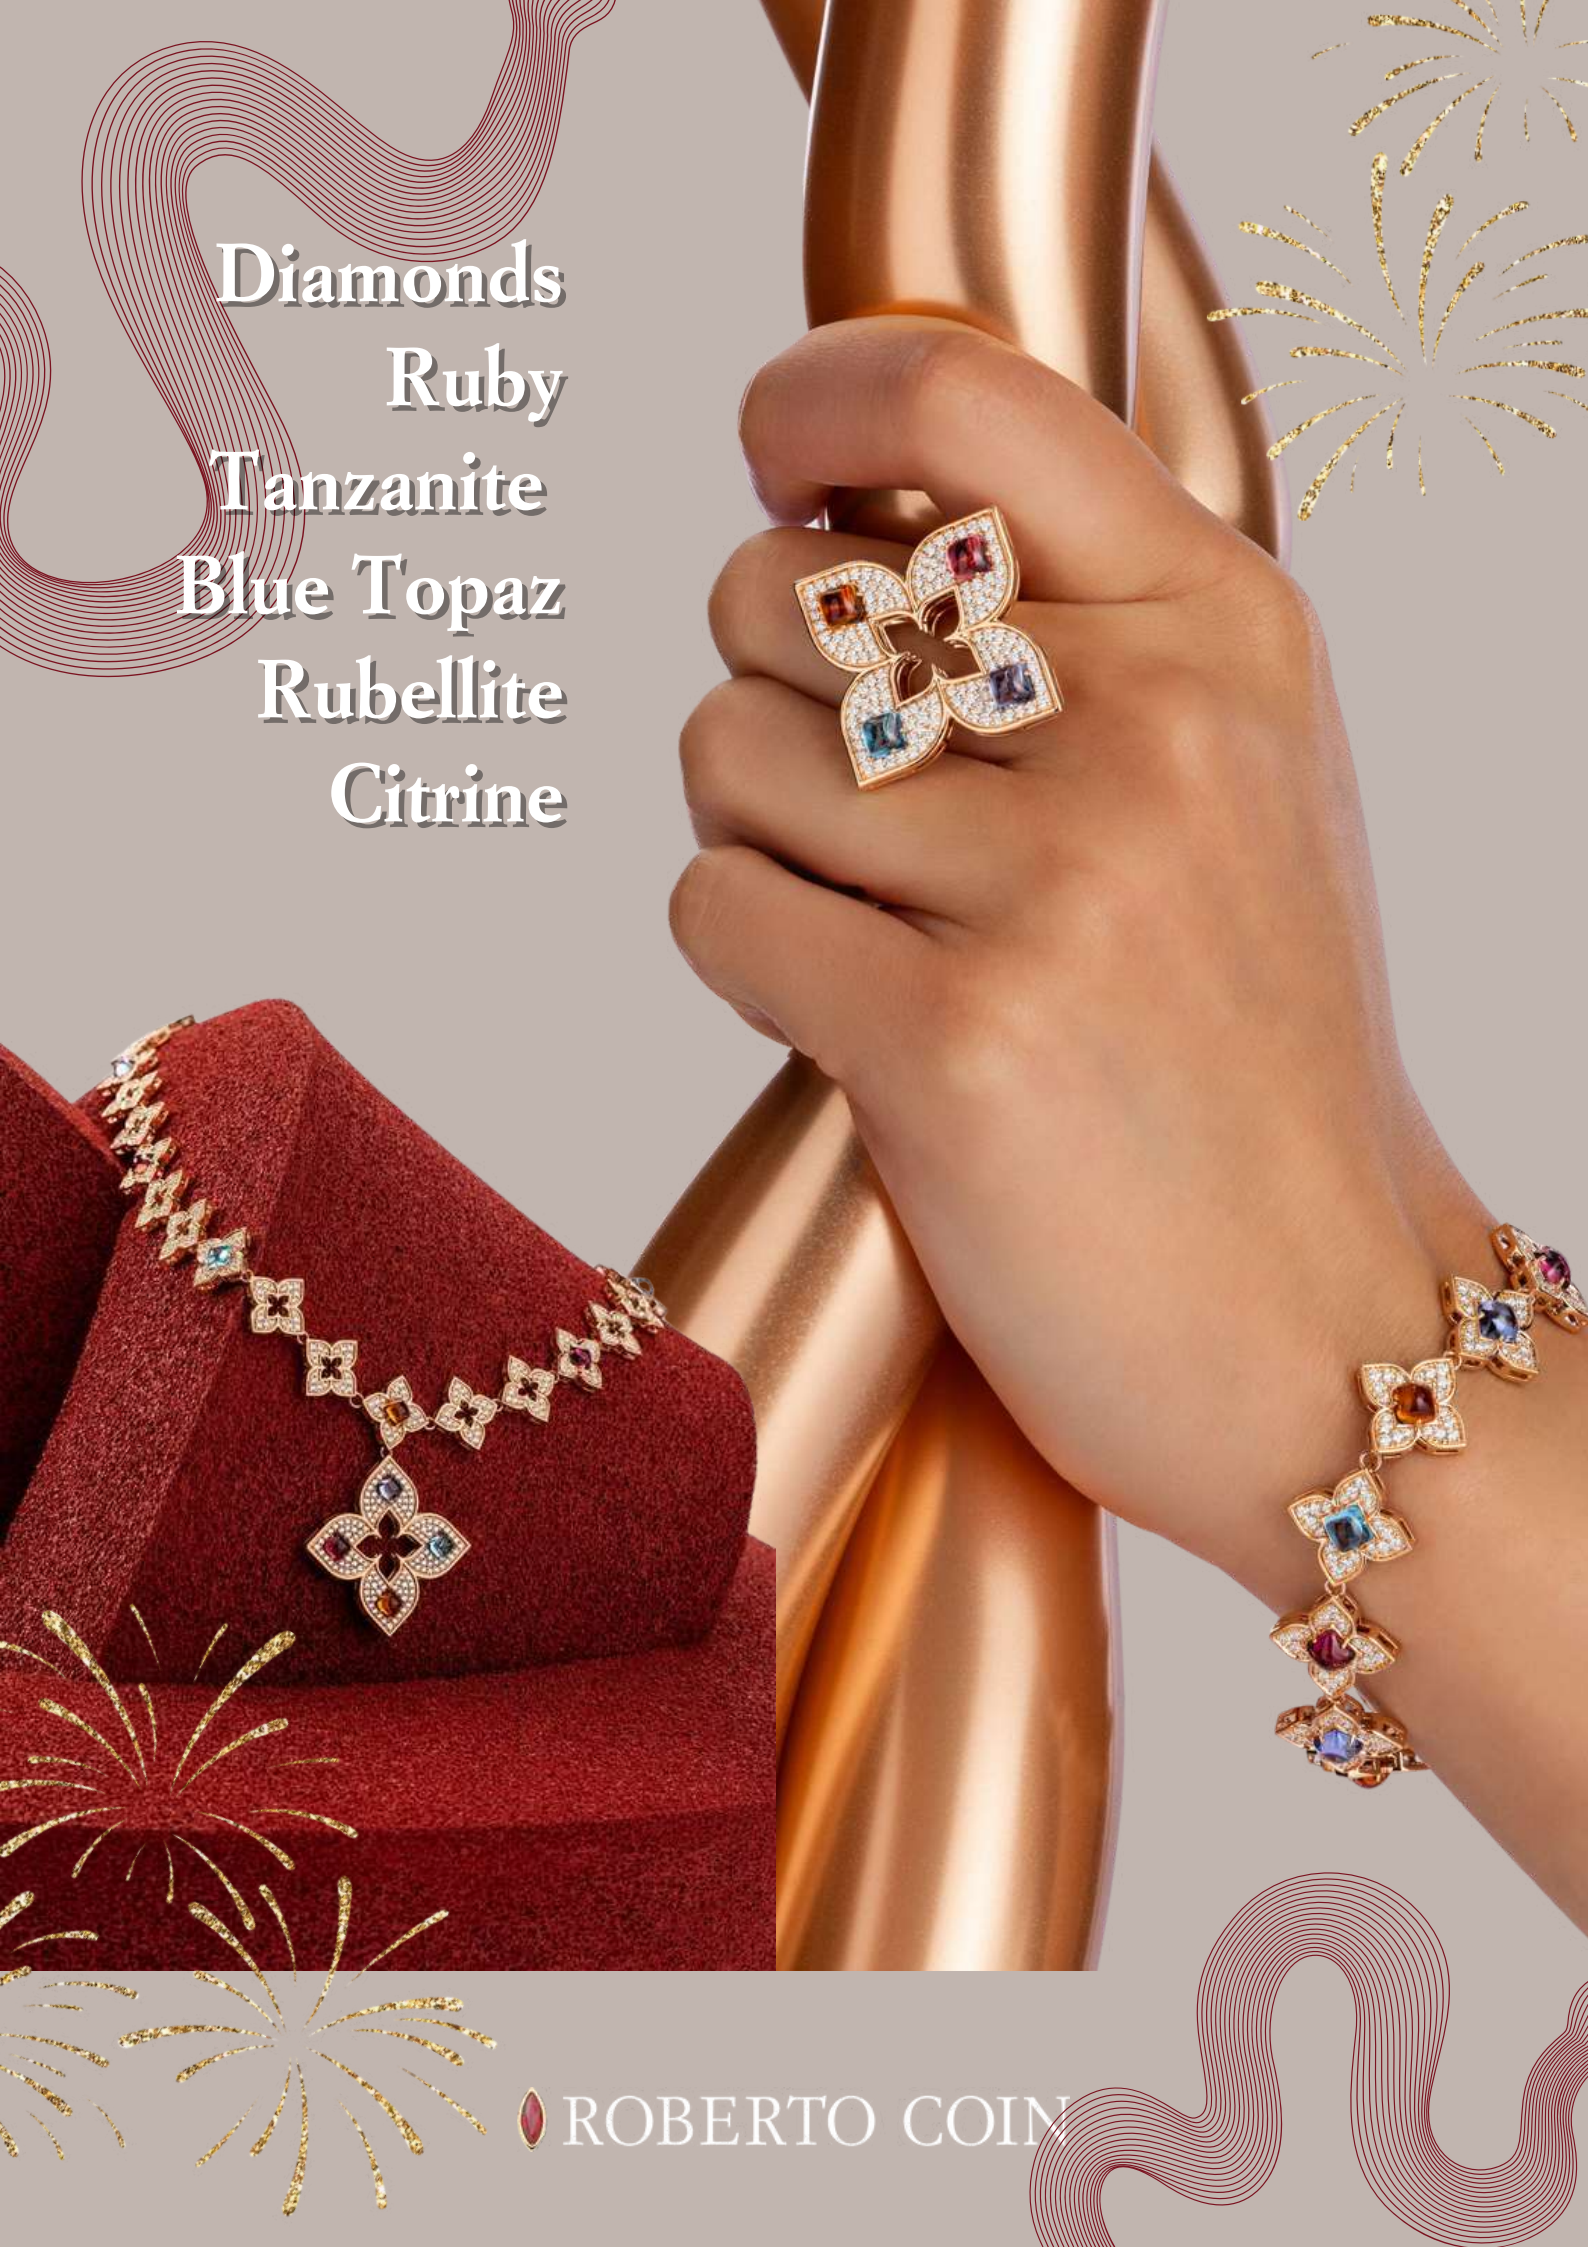

Celebrating Lunar Elegance with
Venetian Princess

The image displays four pieces of jewelry from the 'Venetian Princess' collection. At the top left is a ring with a large four-petaled flower design, each petal set with a different colored gemstone (yellow, blue, pink, and purple) and surrounded by pavé diamonds. To its right is a necklace composed of a series of smaller, identical four-petaled flower links. At the bottom left is another necklace, featuring a chain with a small flower link and a larger, identical flower pendant. To the right of this is a pair of earrings, each shaped like a four-petaled flower with the same gemstone and diamond arrangement. The background is a deep red with stylized, golden fireworks and swirling patterns.
