

SuperCircuit

Thank you for the purchase. The SUPERCIRCUIT Mid Chassis Bar is designed to replace the original one on the Gen3 Perodua Myvi for better and stronger mid chassis strength. Please utilize the original bolts during the installation as shown in the picture below:

Should you need any further assistance during the installation, please contact SUPERCIRCUIT BARS, Tel: +6 03 5632 2855 or send us a message on Facebook:
