## THE 6 TH COLLECTION

你的清醒是另一场梦

2021年11月6日下午两点，HELIOSSEET 再一次透过网络平台发布发布新系列服装。与疫情共存以来，我们深刻体会到大自然无形而巨大的力量，借此感念因染疫不幸离世的人们以及所默默贡献的人们，愿大家珍惜且敬畏生命。HELIOSSEET 第六系列降临一个虚实空间，一片返璞归真的土地。

旧，是本季的关键词，风格上延续了 HELIOSSEET 一贯的特质。

视频结束，充满原始气息的音效依然伴着野兽的叫声在耳边回荡，模特们仿佛在丛林深处的小屋上演了一场秀，引领观众身临其境，各种对比与细致的差别荡浑然一体。第六系列将自由与享乐主义当中的理性与感性，率真与性感，摩登与熟悉的旧物融合。既避免时下流行的色彩，也沿用了东方传统服装包裹缠绕着装的元素。

除了制衣程序上运用了往季余料，特别融入了具有时代感且家喻户晓的提花薄被，体现着舒张有度的廓形，不羁而精妙；东方扁平二维的剪裁，不分尺码穿在不同体态的模特穿上，不但大幅减少原料浪费，也恰到好处糅合于时装里，别有韵味。

另外，印在丝纱上泛黄色老照片与植物剪影的印花、蜡印波点棉麻旗袍、砂洗做旧厚重的日本棉外套与拖尾大围裙、真丝织物等都随性地相互缠绵、捆绑与堆叠，用当代的语境诠释一种既熟悉却陌生的感觉。

服装本是生活与审美的一部分，美好的事物本就超越时间、地域、文化、语言的界限，身体亦是如此。即便身体随岁月改变，但是独有的个性却是永远，HELIOSSEET 一直在古典与当代的精髓里力求平衡，完成人对于服装和环境的最好的状态，坚信所有的美好终究建立在自身的精神与审美之上，最终是你成就了这些服装。

## THE 6 TH COLLECTION

### YOUR SOBRIETY IS ANOTHER DREAM

6 November 2021, 2pm, HELIOSSEET once again released the collection in digital show. Since coexisting with the pandemic, we have deeply experienced the intangible and immense power of nature. We take this opportunity to express our gratitude to the people who have unfortunately passed away due to the pandemic and all the people who contributed silently. May everyone cherish and revere life. The 6 th collection has come to a space between reality and fantasy, a land of returning to the original. Old, is the keyword for this collection, and it's consistently developing from HELIOSSEET.

After the video ended, the music is still echoing in the ears with the forest's ambient sound, and the models seem to have staged a show in a cabin deep in the jungle, bringing the audience to the scene. Various contrasts and detailed differences are integrated. The 6th collection combines the rationality and sensibility of freedom and hedonism, frankness with sexy, and modernity with familiar old things. The designer avoids trendy colours, but also incorporates the oriental traditional clothing wrapping technique in this collection.

The fabric used in this collection are vibrantly mixed with previous stocks, some classic woven blankets, handled with oriental flat cutting into free-size to reduce wastage . Moreover, oxidized prints on Cupro, wax stamped polka-dot on textured linen are some signature techniques in used, and never forget our essential draped cape-dress in silk.

Clothing should be part of the art of living; all the wonderful objects appear over the boundaries of times, places, cultures, languages; the same goes to the human body. The beauty fades, but the personality lasts forever. We are making timeless designs and its harmony with your spirit, aesthetics, and surrounding, and we believe that, it is your own beauty magnify them after all.
