

A VESSEL OF
LIGHT AND HOPE

The logo features a stylized yellow lamp icon on the left, followed by the word "Lumi" in a white serif font with a yellow star above the 'i'. Below "Lumi" is the tagline "LIGHTING HOPE" in a white sans-serif font.

Lumi
LIGHTING HOPE

A cultural masterpiece, a fusion of Indian tradition and Western elegance. The base is a Kudam – a traditional brass pot used by Indians all around the world during auspicious celebrations. The lampshade is carefully pleated – a refined western design that adds texture.

Each purchase will donate RM20 to SVM Home. Together, we can light up the world of those in need.
