Artline® poster markers

Artline® poster markers are highly opaque and will write on plastic, wood, glass, rubber, paper, steel, acetate, vinyl, metal or painted surfaces. Ideal for when you want a long-lasting but not necessarily permanent outdoor marker. Poster markers are used in everything from writing on glass shop windows to making signage.

poster markers

Opaque, brilliant color to make sure your message gets noticed.

- water-based
- fade resistant
- removable from glass
- poster tempura paint
- RoHS compliant

re-inking industrial stamps

F06
F11
F16
F20

1. Remove cap and place face down.
2. Hold stamp handle firmly and pull out die holder from handle.
3. Place die holder on top of removed cap with impression die facing down. Hold die firmly and remove top plug.
4. Place one drop of ink into the F06 opening and add 5 drops into the F11 opening.

F30

1. Unscrew cap and hold handle vertically. Use bottom of cap to remove die holder. Insert bottom of cap into die holder and turn handle counter clockwise to remove die holder.
2. Place 25 drops of ink into the opening.

F10

1. Remove the holder and take off the handle. Place 10 drops of ink into the openings.

Artline® hi-seal refill ink & stamp pads

hi-seal 540

- 20 second dry time
- highly resistant to most solvents
- perfect for marking parts and components

Artline® hi-seal refill ink & stamp pads

Artline® Hi-Seal industrial inks are formulated to perform under the harshest conditions encountered in today's manufacturing world. Whether you need it to stick to a glossy, non-porous surface, be waterproof, mark food products or glow under a UV light source, Artline® has you covered. Our industrial stamp pads use an air-tight lock to ensure a long life for the inking surface. They are available in three convenient sizes.

#2 2-1/8" x 3-1/2"

#3 2-5/8" x 4-1/8"

#4 3-3/8" x 5-1/2"

hi-seal 430

- 20 second dry time
- perfect for use in self-inking stamps
- for use on all non-porous surfaces
