*Diperbuat dari bahan semulajadi yang kaya dengan ekstrak asli. Keaslian bahan di dalam Betaine membantu mengekalkan keseimbangan dan kelembapan di dalam kulit.*

# Nourishing Conditioner

## Benefits;

- Keep hair's moisture and its natural oil.
- Strengthen baby's hair.
- Maintain good bacteria (microbiota) balance for baby's growth.
- Anti- Frizzy.

## Ingredients;

### **ALPHA-GLUCAN OLIGOSACCHARIDE**

Renowned prebiotic that preserves our body ecosystem by maintaining the microbiota balance. Rebalance the bacterial landscape and thus strengthens the microbiological barrier of the skin.

*Mengandung prabiotic yang melindungi keseimbangan badan dengan mengekalkan kadar microbiota di kulit. Juga mengimbangi kadar bakteria di kulit agar kulit kekal sihat dan tidak merosakkan 'skin barrier'.*

# Tonic Essence

## Benefits;

Thicken baby's and kid's hair.

Suitable with any kids with sensitive skin

Extra nourishment for hair and scalp.

Strengthen hair and roots.

## Ingredients;

### **PATHENOL**

vitamin B5 can creates a healthy barrier against irritation, it seals in moisture, leaving the skin and scalp soft. Panthenol also rejuvenate damaged hair, as it locks in moisture and provide long lasting moisturizing.

*Vitamin B5 membentuk pelindungan dari radangan . Ia mengekalkan kelembapan dan menjadikan kulit lebih lembut. Pathenol juga membantu memberikan kelembapan pada rambut yang bermasalah.*

## Serum Booster

### Benefits;

Anti tangled hair and frizzyness.

Natural oil from olive.

Non sticky and easy apply and absorb to hair.

Help increase shine and prevent breakage.

### Ingredients;

#### **OLEA EUROPAEA (OLIVE) FRUIT OIL**

It nourishes and conditions hair and body. It also help prevent split ends and increase hair elasticity.

*Membantu dalam mengekalkan kelembapan dan kelembutan rambut dan kulit badan. Ia juga mengelakkan rambut bercabang dan menguatkan akar rambut.*

#### **ARGANIA SPINOSA KERNEL OIL**

Argan oil has smaller sized molecules, so it more likely to penetrate the hair cuticle more effectively. When the oil's nutrients area absorbed better, the hair is softer, making it less prone to tangling.

*Saiz molekul yang kecil di dalam minyak argan membantu membaiki masalah kerosakkan pada permukaan rambut. Ia juga membantu membuat rambut lebih lembut dan mengurangkan kadar kusut.*
