*The CASMARA Laboratory has created
3 super-concentrated and light,
quick-absorb formulas, with a sublime combination
of wonderful active ingredients.*

Pure avant-garde cosmetics that envelops you with its
delicious **textures**, delicate **aromas** and incredible **results**.

Power Lift 4D

DID YOU KNOW THAT THE EXTRACELLULAR MATRIX (ECM) IS RESPONSIBLE FOR THE SKIN'S FIRMNESS AND ELASTICITY?

Collagen, elastin, hyaluronic acid, etc., are some of the **ECM's** building blocks that form an interwoven mosaic on which facial firmness and density depend. Elements such as stress, or the natural aging process caused by the passage of time, reduce the presence of these in the skin, which degrade or appear unsightly. When this occurs, the face shows sagging, wrinkles and visible signs of aging.

Power Lift 4D with 4D TECHNOLOGY (hyaluronic acid of 4 different molecular weights), fermented shiunko oil and biointelligent peptides, act directly on the key elements of the **ECM**.

RESULTS

- ☑ **Lifting** effect 30'.
- ☑ Fill wrinkles from the inside.
- ☑ Lip contours redefined +33%*.
- ☑ Increase in hydration +155%*.

**results of clinical studies carried out.*

WITH **POWER LIFT 4D** SKIN IS VISIBLY MORE ELASTIC AND FIRMER, FROM THE FIRST APPLICATION.

MAIN ACTIVE INGREDIENTS

• **HYALURONIC 4D: ultra-hydrating. Wrinkle filler.** Hyaluronic acid complex with 4 different molecular weights that acts on 4 layers of skin to tighten up, redefine and prevent the appearance of aging.

• **ESSENCE OF MADAGASCAR: tightener (lifting effect). Wrinkle diffuser.** Extract of *Acmella Oleracea* from Madagascar, a plant ingredient that proactively reduces wrinkles and expression marks, the results being visible from the first application. Its **smoothing effect** redefines **the contour of the lips**.

• **Fermented oil from SHIUNKO: total firming.** Chinese medicinal herb rich in z-ligustilide and shikonin that provides extraordinary softness. Its firming action is due to that it increases the number and viability of fibroblasts.

• **BIOINTELLIGENT PEPTIDE: restructuring-redensifier.** Enhances the synthesis of proteoglycans, substances that improve the formation of collagen fibers. Active ingredient that stimulates the synthesis of the extracellular matrix (ECM) components and reinforces collagen, **avoiding a flaccid facial appearance**.

• **Z-MARINE: redefines facial contours.** Marine biotechnological ingredient endemic to the Indian Ocean with extraordinary properties. Causes **immediate lifting**, skin contraction and remodeling of the facial contours.

WHO IS IT SUITABLE FOR?

Highly-suited for those fighting facial sagging, wrinkles (incipient or established) and lack of fullness. As well as for those who desire extraordinary anti-aging skin care.

Silicon-free and mineral oils-free formula.
