CITRINE

GEM ESSENCE

*I attract abundance & success
with confidence & joy*

*This beautiful crystal has generously & lovingly taken
part in the creation of this magical gem essence.*

Known as the 'Light Maker', the 'Merchant's Stone' & the 'Success Stone', Citrine's bright yellow hue reflects their vibrant energy. Like Vitamin C for the soul, they emanate vitality, joy, confidence & an abundance of sunshine. When you connect with Citrine, invite in the energy of the sun, bursting forth from within as a power source of happiness & optimism for all aspects of your life.

Citrines have a remarkable ability to fill your space with bright & sunny energy, and on a personal level, they are your go-to BFFs to increase your personal power & self worth. Their uplifting radiance also helps to fill your spirit with the highest levels of positivity, clearing away any imbalance in your solar plexus chakra - making them an ideal crystal for manifesting abundance in all ways.

On the financial & business front, allow them to boost your levels of confidence, which in turn, gives you the motivation you need to accomplish your goals with an unstoppable flow.

May you always be a joyful & playful creator as you reach towards your dreams!

ESSENTIAL OILS & HERBS

These plant oils were selected for their energetic properties that have a similar and/or complimentary vibration with the crystal's energy, lending a potent synergistic effect to further enhance the magic of the gem essence.

A vibrant yellow background featuring a cross-section of a lemon in the lower half. A stream of lemon juice is being poured from above, passing through the center of the lemon slice and continuing downwards. The juice is captured mid-pour, creating a thin, clear column. The lemon slice shows its internal segments and the white pith. The overall color palette is warm and monochromatic, dominated by shades of yellow and orange.

Lemon

- Joyous & energizing
- Brings an element of sparkle & invites happiness and positive energy
- Reminds you to trust & open your heart to the possibility of life beyond the mundane
- Uplifting, helps ease worries & emotional tension

Black Pepper

- Boosts courage & confidence
- Emotionally supportive for mental fatigue & when you are feeling drained
- Helps reduce fears & motivate change, when change is needed
- Helps release blocked & stagnant energy
- Represents abundance & flow – in the past, Black Pepper was used as currency in trading ports

Sweet Orange

- Unblocks & circulates stagnant energy
- Soothes the perfectionist who can't tolerate mistakes
- Uplifts & relaxes, eases pessimism
- Brings bright energy, light-heartedness and positivity
- Lends courage when feeling overwhelmed
- Invites in contentment, joy, optimism & stability into your life

The background of the entire image is a close-up, high-resolution photograph of mandarin orange peels. The peels are scattered and overlapping, showing their characteristic bright orange color and the white, pitted inner surface. The lighting is soft, highlighting the texture of the citrus skin.

Mandarin Peel

- Orange (and citruses) bring energizing & uplifting energy
- In spiritual practices, they symbolize cleansing, renewal, healing & the energy of the sun
- They have been said to help boost your aspiration, understanding, decision making & removing blocks in your path
