DANBURITE

GEM ESSENCE

*I am a bright light radiating
love upon the world*

*This beautiful crystal has generously & lovingly taken
part in the creation of this magical gem essence.*

Danburites may look like Clear Quartz at first glance, but they are much rarer & are one of the highest vibrational crystals around! Although powerful, they are very soothing & gentle, connecting the 'heart of the mind' with the 'mind of the heart'. This beautiful synergy of the crown & heart chakras helps to process emotions with crystal clear clarity & with a compassionate heart.

Their pure vibration is an excellent antidote for stress, worry, grief & anger - releasing all these lower vibrational energies to birth a space of love & joy, knowing that all is well.

Connect with their sweet energy to activate higher states of consciousness, allowing access to the divine angelic realms for guidance & wisdom. These may come in many forms, from dream work, channelling, meditation or perhaps visions. Allow yourself to receive these energies gracefully to be of service for the highest good of the earth and all her inhabitants.

May Danburite be a beacon of bliss and pure light, raising your spirit & energy to usher in a new stage of spiritual growth & wisdom.
