Results

Countless cleaning use-ability, safe cost & time, protect user, asset & environment. Peace of mind during operations, transportation & storage, no corrosion & combustible hazards.

Available Packing

- 500 ml Spray
- 4 X 5 Liters Carboy
- 25 Liters Carboy
- 200 Liters Drum
- 1000 Liters IBC

Application

Physical Properties	
Appearance	Bluish Green
Odour	Pleasant Citrus
pH	12
Specific Gravity	1.1
Flash Point	Not applicable
Flammability	Not Flammable
Viscosity	Same as Water
Solubility	Soluble in water
