

## FORMULA 1110

### GENERAL PURPOSE DEGREASER

#### APPLICATIONS

- Can be applied by brush, mop, spray etc. It is ideally suited for use in ultrasonic tanks or other immersion cleaning systems whether warm or cold.
- Totally cleans concrete floor, tiled walls, coolant reservoirs, vinyl upholstery and other plastic surfaces. It is excellent for cleaning surfaces prior to painting and for general use in kitchens etc.
- Extremely effective for a broad spectrum of industrial or institutional applications such as bakeries, bottling plants, breweries, boats, printing plants, public buildings, parks, dockyards, food plants, vessel bilges, deck engine rooms and machine shops etc.
- Can be used through hot or cold-pressure washing machines to penetrate, loosen and flush away hardened grease, dirt and grime.

The lifting block was covered with oil. Grease stains were seen dripping off from the wire rope lubricant which was applied onto the crane wire.

Formula 1110 was sprayed on the lifting block before rinsing off. A clean and non-greasy surface was seen on the block.

#### BENEFITS OF FORMULA 1110

- **Versatile** – cleans concrete, metal, plastic and rubber surfaces with maximum effectiveness.
- **Easy Application** – penetrates, loosens and removes dirt, grime and grease easily by wiping and rinsing with water.
- **Powerful** – removes ink, grease, grime, mildew, dyes, ink etc.
- **Moderate Foam** – no suds problem. Biodegradable.
- **Non Flammable** – contains emulsifying agent.
- **Contains Inhibitor** – will not cause flash rusting.
- **Concentrated** – dilutes up to 10 parts for general cleaning, up to 50 parts for light soil.

Before Rinsing

After Rinsing

(Left): Appearance of Eurolube F1110 General Purpose Degreaser after agitation with Hydraulic Oil on the floor before rinsing with water.

(Right): Clean, oil-free floor after rinsing Eurolube F1110 General Purpose Degreaser with water.

#### PHYSICAL PROPERTIES

Appearance	: Bluish Green Liquid
Odour	: Citrus
pH	: 13 ± 1
Specific gravity	: 1.1
Flash point	: Not Applicable
Flammability	: Non-Flammable
Solubility	: Soluble in water
Packing	: 25 litres carboy : 209 litres drum : 1000 litres IBC tank
